Instructions for Completing Multifamily Default Status Report (Form HUD-92426)

A. General

Use this Form for the purposes shown in Part I, Item 2. Always complete Parts I and VI. Complete Part II in all instances except when you are reporting a reinstatement. Complete Parts III, IV and V only when applicable.

1. **Covenant Defaults.** Use this Form to report covenant defaults only if you have accelerated the mortgage. If you have not accelerated the mortgage, report a covenant default by sending a letter to the HUD Field Office.
2. **Other Notices Not Covered by this Form.** This Form applies only to defaults, reinstatements and elections to assign a mortgage or acquire title to a property. Once you have filed a notice of your election to assign or acquire, HUD's regulations and/or administrative instructions require you to submit other notices that are not covered by this Form. You must submit two copies of each notice to HUD Headquarters' Office of Multifamily Housing Management and one copy of each to the local Field Office's Deputy Director for Management. You should mail the Headquarters copies by Certified Mail - Return Receipt Requested. These notices include:
 - (a) **Notice of Foreclosure.** (Insured Mortgages Only) Within 30 days after instituting foreclosure proceedings, you must give HUD written notice that you have commenced foreclosure.
 - (b) **Notice of Delays in Starting or Completing Acquisition.** (Insured and Coinsured Mortgages) If you cannot meet the deadlines for starting foreclosure, as stated in Part IV of this Form, you must report this fact to HUD and explain the reason for the delay. You must also report and explain any delays in completing acquisition, whether by foreclosure or deed-in-lieu.
 - (c) **Notice of Acquisition.** (Coinsured Mortgages Only) Within 30 days after you acquire title, you must inform HUD of the acquisition.

B. Timing

1. **Notice of Default.** If a default continues for a period of 30 days, you must submit this Form within 30 days thereafter, unless the default is cured. **For example,** if a mortgagor does not pay the March 1 and April 1 payments, you must submit this form by close of business April 30.
 - (a) **For fully insured mortgages** you must continue to submit this Form monthly until the mortgage has been reinstated or you have filed an insurance claim.
 - (b) **For coinsured projects,** you must continue to submit this Form monthly until the mortgage has been reinstated or until the month after you have acquired the project. For example, if you acquired the project on August 15, you must submit default notices through September.
2. **Notice of Reinstatement.** Submit this Form within five calendar days after the mortgage has been reinstated.
3. **Notice of Election.** Unless the HUD Field Office approves an extension of time, you must submit this Form within 75 days after the date of default, defined below.
4. **Notice of Intention to File a Claim.** When you submit your Notice of Election to assign or acquire, you must declare whether or not you intend to file a claim.

C. Date of Default (Part II, Item 2)

The date of default is the due date of the first unpaid payment, when payments are applied in the order in which they come due. **Example:** If an owner did not make the May and June payments but did make one monthly payment on July 15th, the July payment would be applied to the amount due for May and June 1 would be the date of the default.

D. Distribution

1. **Elections/Withdrawals.** Send original and one copy to HUD Headquarters, Office of Multifamily Housing Management. Send one copy to the HUD Field Office having jurisdiction over the project. HUD Headquarters will acknowledge receipt of the form and return one copy to you.
