# Employment Verification for Nurse Faculty ONLY COMPLETE THIS FORM IF YOU ARE NURSE FACULTY

The educational institution where the applicant works as a nurse faculty must fill out this form completely and return it to the applicant for submission with the other application materials.

- 1. Name and Address of the Accredited School of Nursing is the name and location of the institution where the applicant is working.
- 2. Employment Date is the date the applicant started working as nurse faculty at the school of nursing.
- 3. The base annual salary of the applicant must be reported. Base salary does not include overtime or shift differential. Applicants working at the school of nursing for less than one year must report their negotiated base salary for the current year.
- 4. To determine if the School of Nursing has a student enrollment from disadvantaged backgrounds of at least 50%, please submit documentation confirming one or more of the following of its student population:

#### STUDENT CRITERIA FOR DISADVANTAGED BACKGROUND STATUS

- A. Come from an environment that has inhibited them from obtaining the knowledge, skills, and abilities required to enroll in and graduate from a health professions or nursing school (Environmentally Disadvantaged). The following are provided as examples of "Environmentally Disadvantages" for guidance only and are not intended to be allinclusive. Other circumstances may also be considered as examples of environmental disadvantages. Examples:
  - Person from high school with low average SAT/ACT scores compared to the national level or below average State test results.
  - Person from a school district where 50 percent or less of graduates attend college.
  - Person who has a diagnosed physical or mental impairment that substantially limits participation in educational experiences.
  - Person for whom English is not his or her primary language and for whom language is still a barrier to academic performance.
  - Person who is first generation to attend college.
  - Person from a high school where at least 30 percent of enrolled students are eligible for free or reduced price lunches.

OR

B. Come from a family with an annual income below a level based on low-income thresholds established by the U.S. Census Bureau, adjusted annually for changes in the Consumer Price Index (Economically Disadvantaged).

The Secretary defines a "low income family" for various health professions and nursing programs included in Titles III, VII and VIII of the Public Health Service Act as having an annual income that does not exceed 200 percent of the Department's poverty guidelines. A family is a group of two or more individuals related by birth, marriage, or adoption who live together or an individual who is not living with any relatives.
