~~Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent us offering you access to our BSO suite of services.~~

~~We rarely use the information you supply for any purpose other than for registration and granting access to our BSO suite of services. However, we may use the information for the administration of our programs including sharing information:~~

- ~~1. To comply with Federal laws requiring the release of information from our records (e.g., to the Government Accountability Office and Department of Veterans Affairs); and,~~
- ~~2. To facilitate statistical research, audit, or investigative activities necessary to ensure the integrity and improvement of our programs (e.g., to the Bureau of the Census and to private entities under contract with us).~~

~~A list of when we may share your information with others, called routine uses, is available in our Systems of Records Notice entitled, [Master Files of Social Security Number \(SSN\) Holders and SSN Applications](#) (60-0058). SSA will insert the following revised Privacy Act Statement into the form as soon as possible:

Collection and Use of Personal Information**

Sections 205(a) and 1106 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information could prevent us from offering you access to our Business Services Online (BSO) suite of services.

We will use the information to verify your identity and register you, your company, or authorized employee(s) to use our BSO suite of services. We may also share your information for the following purposes, called routine uses:

- To Federal, State, and local entities to assist them with administering income maintenance and health maintenance programs, when a Federal statute authorizes them to use the Social Security number; and,
- To contractors and other Federal agencies, as necessary, to assist us in efficiently administering our programs.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0058, Master Files of Social Security Number (SSN) Holders and SSN Applications, as published in the Federal Register (FR) on December 29, 2010, at 75 FR 82121.
