Section 11 How To Return Your Application

Before you return your application, check to make sure that:

- **Every** question that applies to you has been answered.
- You have entered "unknown" in **any** answer space for which you were unable to answer a question.
- You have signed and dated the application.
- You have included **all** the needed proofs listed in the letter you received with this application.

When you received your application, you should also have received a pre-addressed return envelope. If you do not have this envelope, you can use any envelope as long as it is addressed to the RRB office shown on page ~~12~~¹³ of this application. No matter which envelope you use, you must put the correct postage on the envelope. Be careful to provide enough postage, because your application and the accompanying forms may weigh more than a standard letter. The U.S. Postal Service will not deliver your application unless it has the correct postage.

Make one final check before you seal the envelope to ensure that the following are enclosed:

- NEEDED PROOFS
- THE APPLICATION FORM ITSELF
- ADDITIONAL FORMS YOU WERE ASKED TO COMPLETE

Note: Make no entries on page ~~12~~¹³, which is the receipt for your claim. After the RRB receives your application, they will complete the blanks on the receipt and send it back to you. When it is returned to you, you will know that the RRB has received your application and has started the work needed to determine if you are entitled to benefits. If you do not receive the receipt within two weeks after you filed this application, please contact us so we can find out what is causing the delay.
