V. Letters of Recommendation

- The nomination must include a maximum of six letters of recommendation or support from individuals who have first-hand knowledge of the cited achievement(s). The letters should be from a diverse group of individuals or organizations (ie. the letters should not all come from the nominee’s workplace).
- Successful nominations typically have 3-6 quality letters of recommendation from different experts that directly address the impact of the nominee’s achievement on their field, other fields, their community, nationally, and/or globally.
- Letters should be saved as a Microsoft Word document or as a PDF file. Please label each letter with last name of nominee, underscore, first name, underscore, the word “rec” and last name of person writing support letter.doc.

For example: Doe_Jane_recSmith

- Contact information for those sending letters of recommendation should be included in the nomination form in the section below.
- **Letters of recommendation must be uploaded to the nomination portal by midnight ET, April 5, 2019.**

Please complete contact information for letters of recommendation or support below.

Compliance with Program Terms

I, THE NOMINATOR(S),

OF THE FOLLOWING NOMINEE

for a National Medal of Technology and Innovation award, by my submission of this nomination do hereby consent to public disclosure of the information contained in this package for the purpose of use or distribution by the Department of Commerce to develop descriptive material, such as magazine articles, Web sites or other means, to increase public awareness of National Medal of Technology and Innovation Laureates and their accomplishments. I do **NOT** consent to public disclosure of any information deemed personal, as noted below:

The Department of Commerce requests that recipients of the National Medal of Technology and Innovation work with its agencies and the National Science and Technology Medals Foundation to share additional information about “lessons learned” regarding U.S. commercial process and competitiveness.

The public reporting burden for the collection of this information is estimated to average 40 hours per response, including the time for reviewing instructions, collecting information, and completing the form. All responses to this request for information are voluntary for purposes of the Paperwork Reduction Act. Please mark clearly any portion of the information submitted that you consider to be proprietary and it will be afforded confidentiality to the extent allowed under the Freedom of Information Act. Notwithstanding any other provision of law, no person is required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB control number. Comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, can be sent to the National Medal of Technology and Innovation, c/o United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 (NMTI@uspto.gov).
