

OMB Control #0693-0043  
Expiration Date: 03/31/2022  
NIST Generic Clearance for Usability Data Collections

**National Institute of Standards and Technology (NIST), Material Measurement Laboratory (MML), Urine SRMs Uses – Information Collection**

**Recruitment Email:**

Please respond by (date within one month) to help improve next generation of NIST Urine SRMs and body:

Thank you for your purchase of NIST SRMs 3672 Organic contaminants in smokers' urine (frozen) and/or 3673 Organic contaminants in non-smokers' urine (frozen)! We will be renewing these SRMs in the coming years and will use your answers to this brief two minute survey to direct the production and certification of the next generation of urine SRMs. Please respond by (date within one month). <https://forms.gle/timhxNxPgGAb85Vm9>

Please feel free to contact me directly if you have any questions or comments.

Thank you,  
Stacy Schuur
