SUBJECT: Justification for the Use of the Social Security Number (SSN) – AAFES Internal Portal Travel Requests: Relocation Request for CONUS to Overseas, Plus Relocation Services Request, Household Goods Request, Relocation Request Overseas to CONUS, and Relocation Request for Overseas to Overseas.

1. This memorandum is to satisfy the requirements of DoDI 1000.30, "Reduction of Social Security Number (SSN) Use Within the DoD," requiring justification to collect and use the SSN.
2. The AAFES Internal Portal Travel Requests are used to collect personal information from active AAFES associates and their dependents. The information collection allows AAFES to process all official Continental United States (CONUS) and Outside the Continental United States (OCONUS) Exchange Permanent Change of Station (PCS) requests for AAFES employees and their dependents/family members. The data collected assists the AAFES Human Resources (HR) Travel personnel in determining the eligibility of the employee and/or dependents to travel, obtain passports and visas and travel expense reimbursement.
3. The applicable acceptable uses for collection and use of the SSN are (3) Security Clearance Investigation or Verification and (9) Foreign Travel. Information collected on these worksheets is part of the AAFES associate's travel folder obtainable either by the individual's name or SSN. SSN collected is used to assist in the location of all relevant data associated with the employee which can affect the individual's or their dependent's travel, their required travel documentation and security clearance.
4. The IT Systems and the System of Records Notice (SORNs) associated with the AAFES Travel Requests is AAFES 0410.01, "Employee Travel Files".
5. Information contained in this system is solicited by authority of Title 10 U.S.C. 7013, Secretary of the Army; Title 10 U.S.C. 9013, Secretary of the Air Force; Army Regulation 215-1, The Administration of Morale, Welfare, and Recreation Activities and Non-appropriated Fund Instrumentalities; Army Regulation 215-8/AFI 34-211(I), Army and Air Force Exchange Service Operations; and E.O. 9397 (SSN), as amended.
