Furnishing us this information is voluntary. However, failing to provide us with all or part of the information may prevent an accurate and timely decision on your appeal for your claim.

We rarely use the information you provide on this form for any purpose other than to update your disability information. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans Affairs);
- 3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and
- To facilitate statistical research, audit, or investigative activities necessary to ensure the integrity of Social Security programs (e.g., to the U.S. Census Bureau and to private entities under contract with us).

A complete list of when we may share your information with others, called routine uses, is available in our Privacy Act Systems of Records Notices entitled, Claims Folder System (60-0089) and Electronic Disability (60-0320). Additional information about these and other system of records notices and our programs are available online at www.socialsecurity.gov or at your local Social Security office.
