

FBI Office of Private Sector (OPS)

OMB Control # 1110-0078

The FBI partners with both government and private sector partners every day to accomplish its mission. The FBI's OPS provides an organized, coordinated, and horizontal approach to how it engages with the private sector. OPS strives to optimize collaboration and information-sharing between the Bureau and the private sector, and mitigate threats through the longstanding, mutually beneficial partnerships¹.

The FBI relies on feedback from its partners to enhance its understanding of the private sector's risks and needs. This survey will assist in evaluating the **quality** and the **value** of private sector relationships with the FBI. Your response will help us to serve you more effectively and efficiently in the future.

This survey should take approximately 5-7 minutes and is voluntary. Please select the response that best represents your view. Thank you for your participation.
