Department of Homeland Security

Federal Emergency Management Agency

NATIONAL URBAN SEARCH AND RESCUE RESPONSE SYSTEM

Task Force Self-Evaluation Scoresheet

PAPERWORK BURDEN DISCLOSURE NOTICE FEMA Form 089-0-14 OMB 1660-0073 Expires: 11/30/2015

Public reporting burden for this data collection is estimated to average 2 hours per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and submitting this form. This collection of information is required to obtain or retain benefits. You are not required to respond to this collection of information unless a valid OMB control number is displayed on this form. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472-3100, Paperwork Reduction Project (1660-0073) NOTE: Do not send your completed form to this address.

INSTRUCTIONS

Prior to completing this self-evaluation, consult current guidance from the FEMA US&R Branch

With the use of this form, three areas of readiness will be evaluated:

Operational Readiness - availability of a complement of rostered, trained, deployable, exercised members and canine search specialist teams.

Logistic Readiness – availability of equipment caches and other logistic resources to support immediate deployment.

Management Readiness – in-place resources, plans, agreements, processes, and procedures to support deployments, and meet requirements of the US&R's Preparedness Cooperative Agreements and other audit requirements.

OPERATIONAL READINESS		
Number of Rostered TF Members		max score: 15
2. Number of Trained TF Members		max score: 15
3. Number of Deployable TF Members		max score: 30
4. Number of TF Member Participants in annual training and exercises5. Number of Deployable Disaster Search Canine Teams		max score: 30
		max score: 10
	Total Operational Readiness	max score: 100
LOGISTICS READINESS		
Number of cache equipment items		max score: 50
2. Transportation Resources		max score: 15
3. Equipment Cache Training and Exercises		max score: 15
Cache Management inventory system		max score: 10
5. Warehouse Resources		max score: 10
	Total Logistics Readiness	max score: 100
MANAGEMENT READINESS		
Number of Administrative staffing/resources		max score: 20
2. Cooperative Agreement reporting		max score: 20
3. Cooperative Agreement Plans and Memoranda of A	Agreement	max score: 20
4. Financial and Accounting Processes and Records		max score: 20
5. Sponsoring Agency Support Functions		max score: 20
	Total Management Readiness	max score: 100

This scoresheet has been provided for your task force to make the required point entries and calculate scores. More specific guidance on methodology and scoring criteria will be provided separately.
