

Customer Engagement Enrollment Form [EXAMPLE]

[← BACK TO DASHBOARD \(WILL LOSE UNSAVED DATA\)](#)

Customer Engagement Partners, in collaboration with DOE, will demonstrate practical and effective best practices, and provide market engagement support to accelerate the use of Packaged CHP systems and the eCatalog. Customer Engagement Partners agree to promote the use of efficient, clean and economically viable packaged CHP across the public and private sectors.

Additional user accounts can be linked to this program entry once it has been recognized.

CUSTOMER ENGAGEMENT PARTNER CRITERIA:

Customer Engagement Partners recognize the need to educate potential end users and consulting engineers on the benefits of Packaged CHP Systems, promote the use of the eCatalog, and encourage local CHP developers to get their Packaged CHP Systems recognized in the eCatalog. Successful Customer Engagement activities include:

1. Identify and encourage qualified CHP suppliers to participate in the eCatalog
2. Educate potential users about the benefits of CHP
3. Provide outreach to potential users on the eCatalog
4. Develop programs to link customers and eCatalog vendors
5. Provide technical assistance to potential users (including support from the regional CHP Technical Assistance Partnerships (CHP TAPs))
6. Link existing or new CHP deployment/incentive programs to the eCatalog where applicable
