SALES, RECEIPTS, OR REVENUE

What were the revenues for this firm in 2018?

Include:

- Report gross billings, except where noted elsewhere on the form.
- Prorate revenue derived from services provided on a contractual basis according to the work accomplished. (Only include amounts applicable to the report period.)
- Amounts received for work subcontracted to others.
- Market value of compensation in lieu of cash.
- Revenue from services performed by domestic locations of foreign parent firms, subsidiaries, branches, etc.
- Dues and assessments from members and affiliates.
- · Revenues from electronic sources.

Exclude:

- Transfers made within the company.
- Taxes collected directly from customers/clients and paid directly to a local, state, or federal tax agency.
- Rents and revenue of separately operated departments, concessions, etc., which are leased to others.
- Commissions from vending machine operators.
- Revenue of foreign subsidiaries (those located outside the U.S., i.e., outside the 50 states, District of Columbia, U.S. Commonwealth Territories, or U.S. possessions).
- Non-operating revenue such as income from investments, sales of company-owned real estate (land and building), or other assets (except inventory held for resale, securities, gifts, loans, contributions, or grants).
- Revenue from the sale of used equipment.

Lines 1 through 3 - General freight trucking, specialized freight trucking, and household goods moving Report revenue for transportation of goods by motor vehicles. **Include** revenue from furnishing vehicles **with** drivers to other carriers under lease or similar arrangement.

If part of the transportation was purchased from another carrier to complete the contract, use the following guidelines:

- Report total revenue if all purchased transportation was on your own account. (You have legal obligation to pay for the purchased transportation.)
- Report only the revenue collected for your portion of the haul, plus any additional income from commissions and fees for arranging the transportation, if the transportation was purchased on the client's account. (Your client has legal obligation to pay for the purchased transportation.)

Line 4 - All other operating revenue

Report other operating revenue including sales from the operation of lunchrooms, restaurants, snowplow work, etc.; revenue from the parking and storage of vehicles; revenue received from other carriers for the use of this firm's terminal facilities, including amounts billed separately for repair services; revenue from short-term rental or extended-term operating leases (with or without maintenance) of trucks, truck-tractors, or trailers, **without** drivers; fair sales value of merchandise marketed under capital, finance, or "full payout" leases; and commissions for providing brokerage services, making payroll deductions, collecting freight charges for other carriers; etc. **Exclude** revenue from this firm's other operating units; the value of used equipment or vehicles sold; revenue from installment payments from leasing vehicles, tools, etc., marketed under capital, finance, or "full payout" leases; and non-operating revenue such as income from investments, sale of securities, real estate, etc.

Report revenue from the storage of shipments in your warehouses pending further instructions by the shipper; from the permanent storage of household goods on a paid-on-delivery basis, commercial goods, or records storage; and for packing and crating, handling, providing labor to carriers for loading and unloading, and other accessory services. **Exclude** rental revenue from the operation of mini-warehouses/self-service storage facilities and from the subleasing of warehousing space to others.

6 SALES, RECEIPTS, OR REVENUE

What were the revenues for this firm in 2018?

Include

- Report gross billings, except where noted elsewhere on the form.
- Prorate revenue derived from services provided on a contractual basis according to the work accomplished. (Only include amounts applicable to the report period.)
- Amounts received for work subcontracted to others.
- Market value of compensation in lieu of cash.
- Revenue from services performed by domestic locations of foreign parent firms, subsidiaries, branches, etc.
- Dues and assessments from members and affiliates.
- · Revenues from electronic sources.

Exclude:

- Transfers made within the company.
- Taxes collected directly from customers/clients and paid directly to a local, state, or federal tax agency.
- Rents and revenue of separately operated departments, concessions, etc., which are leased to others.
- Commissions from vending machine operators.
- Revenue of foreign subsidiaries (those located outside the U.S., i.e., outside the 50 states, District of Columbia, U.S. Commonwealth Territories, or U.S. possessions).
- Non-operating revenue such as income from investments, sales of company-owned real estate (land and building), or other assets (except inventory held for resale, securities, gifts, loans, contributions, or grants).
- Revenue from the sale of used equipment.

Lines 1 through 3 - General freight trucking, specialized freight trucking, and household goods moving
Report revenue for transportation of goods by motor vehicles. **Include** revenue from furnishing vehicles **with** drivers
to other carriers under lease or similar arrangement.

If part of the transportation was purchased from another carrier to complete the contract, use the following guidelines:

- Report total revenue if all purchased transportation was on your own account. (You have legal obligation to pay for the purchased transportation.)
- Report only the revenue collected for your portion of the haul, plus any additional income from commissions and fees for arranging the transportation, if the transportation was purchased on the client's account. (Your client has legal obligation to pay for the purchased transportation.)

Line 4 - All other operating revenue

Report other operating revenue including sales from the operation of lunchrooms, restaurants, snowplow work, etc.; revenue from the parking and storage of vehicles; revenue received from other carriers for the use of this firm's terminal facilities, including amounts billed separately for repair services; revenue from short-term rental or extended-term operating leases (with or without maintenance) of trucks, truck-tractors, or trailers, **without** drivers; fair sales value of merchandise marketed under capital, finance, or "full payout" leases; and commissions for providing brokerage services, making payroll deductions, collecting freight charges for other carriers; etc. **Exclude** revenue from this firm's other operating units; the value of used equipment or vehicles sold; revenue from installment payments from leasing vehicles, tools, etc., marketed under capital, finance, or "full payout" leases; and non-operating revenue such as income from investments, sale of securities, real estate, etc.

Report revenue from the storage of shipments in your warehouses pending further instructions by the shipper; from the permanent storage of household goods on a paid-on-delivery basis, commercial goods, or records storage; and for packing and crating, handling, providing labor to carriers for loading and unloading, and other accessory services. **Exclude** rental revenue from the operation of mini-warehouses/self-service storage facilities and from the subleasing of warehousing space to others.

A. Inpatient days and outpatient visits

Inpatient Days - The unit of measure in which lodging was provided and services rendered to inpatients.

- A patient who is formally admitted and who is discharged or dies on the same day is counted as one patient day, regardless of the number of hours the patient occupies a hospital bed. For patients switched from observation to inpatient status, the patient day count should begin on the day the patient was officially admitted as an inpatient. Do not include nursery days unless they are related to neonatal intermediate or intensive care units.
