## WideAreaWorkFlow

e-Business Suite 5.10.1

### Machine Setup

#### General Steps to configure a machine to use Wide Area Workflow eBusiness Suite

1. Wide Area Workflow eBusiness Suite Hardware Requirements
2. Wide Area Workflow eBusiness Suite Software Requirements
3. Ensure Computer Environment is Functioning Properly
4. Load DoD Certificate Authorities
5. Java Runtime Environment Installation (This step is only required for certificate users)
6. Browser Setup
7. Establish Client Security
8. Plug-ins (if needed)
9. PureEdge Viewer Setup for iRAPT 2.0D Documents Viewonly Access (if required)

#### Step 1: Wide Area Workflow eBusiness Suite Hardware Requirements

The following are the **minimum** requirements to use Wide Area Workflow eBusiness Suite:

- 233 MHz or more Pentium microprocessor (or equivalent)
- SVGA Color Monitor (minimum 256 color)
- 64 MB RAM (minimum)
- Internet Access (broadband recommended)

[Return to the TOP of the page.](#)

#### Step 2: Wide Area Workflow eBusiness Suite Software Requirements

**NOTE: If any software is required for installation/updating to become compliant with Wide Area Workflow eBusiness Suite minimum requirements - in all cases you must have authorization/permission to load/install software on your local machine. If you do NOT have these permissions contact your local network support personnel to assist you in ensuring your machine is set up for Wide Area Workflow eBusiness Suite.**

- Operating System
- Windows XP SP3+
  - Windows Vista SP1+ (32-bit and 64-bit OS, all versions)

NCCS Create Search Help User: Lisa Gearhart Exit

## Facility Clearance (FCL) Request - Create

FCL Request Attachments/Comments History

\*\*\*Please be advised, a company must have a valid procurement need to access classified information at the time of FCL sponsorship in order for DSS to accept this request. If the sponsored company is in the pre-award state, access to the classified information must be required in the pre-award stage in order for DSS to accept this request. Also, the access to classified information is required in the performance of the contract and not solely based on a need to access an area or building.\*\*\*

Additionally, if the company being sponsored is performing on a service contract, please review the following link for DSS guidance on Facility Clearance (FCLs) for service contracts. Industry Security Letter (ISL) 2006-02 #8, prior to submission.

**Require Access to Classified Information**

[21] Is access to classified information required in performance of this contract?

[21a] Is this a Service contract?

A compelling need letter must be submitted with justification as to the need for the FCL. Please forward the compelling need letter to DSS.FCB@mail.mil.

### Facility Clearance (FCL) Request

FCL Request Attachments/Comments

**FCL Sponsorship Letter Not Required!**

There is no access to classified information required. This is outside of the National Industrial Security Program (NISP) and there is no need for a FCL.

Ok

\*\*\*Please be advised, a company must be sponsored by DSS at the time of FCL request. Sponsorship in order for DSS to grant access to the classified information must be required in the pre-award stage in order for DSS to accept this request. Also, the access to classified information is required in the performance of the contract and not solely based on a need to access an area or building.\*\*\*

Additionally, if the company being sponsored is performing on a service contract, please review the following link for DSS guidance on Facility Clearance (FCLs) for service contracts. Industry Security Letter (ISL) 2006-02 #8, prior to submission.
