

INNOVATIVE READINESS TRAINING

Innovative Readiness Training (IRT) is a Department of Defense (DoD) military training opportunity, exclusive to the United States and its territories, that delivers **joint training opportunities to increase deployment readiness**. Simultaneously, IRT provides key services with lasting benefits for our American communities.

BUILDING CIVIL-MILITARY PARTNERSHIPS

LEVERAGING RESOURCES

IRT is a collaborative program that leverages military contributions and community resources to multiply value and cost savings for participants. Communities typically provide materials (e.g. construction materials) and basic services (e.g. facilities).
