DATE, 2019

Dear [STATE] Resident,

The U.S. Army Corps of Engineers is conducting a survey of [STATE] residents to develop a better understanding of residents' opinions about our missions and the services we provide. We are working with [SURVEY FIRM OR UNIVERSITY SURVEY CENTER] to implement the survey.

Your household is one of a small number in [STATE] that were randomly selected to participate in the survey. A short questionnaire may conveniently be filled out on-line by entering the following address directly into your web browser: <https://UNIQUE-LINK>

In order for the results to be truly representative of [STATE] residents, it is important that each selected household complete the questionnaire.

There are a couple things that you should note:

- The questionnaire should be completed by an adult 18 years of age or older.
- You are not required to respond to this survey; your participation is voluntary.

We are extremely grateful for your willingness to assist the Corps of Engineers in this survey effort. If you have any questions at all, please feel free to call [SURVEY FIRM's] toll-free number at [NUMBER] and ask for [NAME].

Sincerely,

[Name]

Dear [STATE] Resident,

Last week I wrote to you seeking your opinions on U.S. Army Corps of Engineers missions and services. As of today we have not received your response to our on-line questionnaire at <https://UNIQUE-LINK>, so I am enclosing a paper copy. It should take only a few minutes to complete.

I am writing to you again because every questionnaire is important to our study. The Corps of Engineers wants to learn about [STATE] residents' opinions of our missions and the services we provide to the citizens of the United States.

Your household was selected through a scientific sampling process in which every household in [STATE] had an equal chance of being selected. Only about one out of every [X] households is being asked to complete this questionnaire. In order for the results of our survey to be truly representative of the opinions of [STATE] residents, it is essential that each household in the sample return their questionnaire.

As I mentioned in my previous letter, the questionnaire should be completed by an adult 18 years of age or older. The questionnaire should be returned in the pre-paid reply envelope that we have included here. Your address will be removed from our database after we receive your completed questionnaire.

We are extremely grateful for your willingness to assist the Corps of Engineers in this survey effort. If you have any questions at all, please feel free to call [SURVEY FIRM's] toll-free number at [NUMBER] and ask for [NAME].

Sincerely,

## Reminder Postcard (Front and Back)

**US Army Corps  
of Engineers®**

Last week I mailed you a questionnaire seeking your opinion about Army Corps missions and services. If you have already completed and returned the questionnaire, please accept our sincere thanks.

We know your time is valuable, but if you have not completed and returned the questionnaire, we hope that you can do so today. You are one of a small number of households in [STATE] randomly selected to provide opinions on this matter. It is very important that we hear from you so that our results accurately represent the opinions of [STATE] residents.

If you need another copy of the questionnaire, please call [NAME] at [SURVEY FIRM] at [NUMBER] and a questionnaire will be mailed to you today.

Thank you in advance for your help!
