

Evaluators' Network Member Survey Invitation, Primary Blog Post

Hello << Evaluators' Network Members >>

The Evaluators' Network team is asking for your participation in a brief online survey. We'd like to learn how the training and support provided through the Network contributes to your tobacco control surveillance and evaluation efforts and how these services can be made more useful.

Your participation in the web-based survey is entirely voluntary. The web-based survey results will be recorded to help inform future developments regarding the Evaluators' Network.

Even if you have had limited experience with the Evaluators' Network services, we want to hear from you.
