Hi Karen,

Yes, we have determined that Privacy Act and PII are both not applicable.

*Very Respectfully,*

Danny and Larry

Thanks so much for all the hard work. This email is great as it is a direct guidance from OCISO for NCIPC to decide on the applicability of the Privacy. I only need an email from Danny saying that the Privacy is not applicable and that PII is not included in this collection. Then I will be able to contact the program and proceed with the OMB approval request.

Thanks

KAngel
