OMB Control No. 0920-1050  
Exp. Date 05/31/2022

**Thank you for attending the DELTA Impact 2020 Reverse Site Visit. We're always looking for ways to continuously improve. Please take a moment to provide us with feedback about the Reverse Site Visit. The information collected will be used to identify areas of improvement for future site visits and technical assistance efforts. As attendees of the first *virtual* reverse site visit, your insight is particularly valuable.**

**This should take no more than 10 minutes to complete. Please complete this survey by August 31, 2020. All responses will be kept confidential and information will only be shared in its aggregate form.**

**You can edit previous responses as you complete the survey; however, you must complete the survey in one sitting or you will lose all of your responses. To return to a previous page, use the 'Previous' button at the bottom of the page (NOT the "Back" button on your browser menu). To advance, use the "Next" button at the bottom of the page.**

**If you have any questions, please contact Lindsey Barranco ([yzi9@cdc.gov](mailto:yzi9@cdc.gov)).**

Public reporting burden of this collection of information is estimated to average 10 minutes per respondent. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia, 30333; ATTN: PRA (0920-1050).
