Participant Information Sheet

Purpose of this interview research

You are being asked to participate in an interview being conducted by CDC's Informatics Innovation Unit to discuss the usability of CDC's STD Treatment Guidelines mobile app and website. During the interview, you will be asked to provide your feedback about the app and website. Your feedback will provide valuable information to help us improve the app and website for healthcare providers.

You will need

- Access to a computer with internet connection
- A smart phone

Before the interview

Please ensure the 2015 STD Treatment Guidelines App is on your phone. If you do not have it installed you can download it here:

- Apple (iOS)
- Android

Please remember that:

- Taking part in this discussion is voluntary
- You are not required to answer the questions
- This discussion should last about 30 minutes
- Researchers may be listening to the discussion
- You are free to leave at any time or refuse recording

Benefits

There are no direct benefits to you. Your comments may improve efforts to provide STD treatment information to health care providers.

Privacy

We will keep the information you give us private and secure to the extent allowed by law. Your name will not be used in the final report. No statement you make will be linked to you by name. Only members of the research staff will be allowed to look at the records.

Persons to Contact

If you need more information about testing participation, you may contact: The Informatics Innovation Unit at 404-498-6476 or e-mail informaticslab@cdc.gov.
