

Thank you for taking this voluntary survey to help us understand how well the Packaging and Shipping Division 6.2 Materials eLearning course produced by the Division of Laboratory Systems, Centers for Disease Control and Prevention has been serving the needs of our learners. The feedback you provide will also inform updates to these courses and future course development.

Survey questions will take approximately 5 minutes to complete. Your responses will be anonymous and no unique identifying information will be sought or kept. The feedback we receive will be used by our programs in aggregate only.

Instructions

The survey contains the following three questions:

- 1. To what extent did you apply the course knowledge and/or skills to your personal or facility's work practices? *Please respond by clicking on the button beside the option that best reflects your opinion.***
- 2. As a result of completing this course, have you been certified or re-certified by your employer to package and ship Division 6.2 Materials? *Please respond by clicking on the button beside the option that best reflects your opinion.***
- 3. Please share examples, challenges or comments related to how you may have applied the course information to your personal or facility's work practices.**

Please click "next" to begin the survey.

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1050).
