Did you select “Yes” to all criteria in Column A?

If yes, the *Collection of Routine Customer Feedback* generic clearance mechanism may be appropriate for your investigation. You may proceed with this form.

Did you select “Yes” to any criterion in Column B?

If yes, the *Collection of Routine Customer Feedback* generic clearance mechanism is **NOT** appropriate for your investigation. Stop completing this form now.

TITLE OF INFORMATION COLLECTION:

CDC Basic Molecular Biology eLearning Courses Learner Feedback Survey

PURPOSE:

The content of these basic-level eLearning courses is relevant to laboratory scientists and healthcare professionals working in hospitals, reference laboratories, universities and public health laboratory settings. These basic-level eLearning courses are offered free of charge, hosted on CDC TRAIN, and offer 1.0 – 1.5 contact hours of ASCLS P.A.C.E.® credits.

An email invitation to complete the Basic Molecular Biology: Basic Science, Basic Molecular Biology: Laboratory Practice, Basic Molecular Biology: Nucleic Acid Extraction, and Basic Molecular Biology: PCR and Real-Time PCR eLearning Courses Learner Feedback voluntary survey will be sent to learners designated by CDC TRAIN as having completed all components of one or more of the courses during February 1, 2019 – August 31, 2019. The email invitation will include clickable links to either proceed to the survey or unsubscribe (opt out.) Learners may also opt out by not responding to the email. If learners click the link to begin the survey in the email, they will link to a Survey Monkey webpage housing the survey.

The information to be collected aims to understand to what extent the learners are able to use the content of the courses in their work settings. The survey questions will take approximately 5 minutes to complete. Responses will be anonymous and no unique identifying information will be sought or kept. The feedback we receive will be used by our program in aggregate only. The learner feedback will help the continuous quality assurance of our instructional design process and inform updates to these courses in alignment with learner' needs. Learner feedback will provide valuable insight on the instructional design of this eLearning courses, which includes relevance and applicability of content.

DESCRIPTION OF RESPONDENTS:

This is a voluntary survey to collect information from learners who have completed one or more of the Basic Molecular Biology: Basic Science, Basic Molecular Biology: Laboratory Practice, Basic Molecular Biology: Nucleic Acid Extraction, and Basic Molecular Biology: PCR and Real-Time PCR eLearning courses between February 1, 2019 through August 31, 2019, and may include laboratory professionals working in clinical, reference, university, and public health laboratories.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?

Yes No

If Yes: Please provide a description of both below (or attach the sampling plan)

If No: Please provide a description of how you plan to identify your potential group of respondents and how you will select them or ask them to self-select/volunteer

- This is a voluntary follow-up user feedback survey sent to learners who completed all required components for one or more of the four Basic Molecular Biology CDC eLearning courses during February 1, 2019 through August 31, 2019. Completion status is assigned by CDC TRAIN when all components have been accomplished. We anticipate that these learners include laboratory professionals from clinical, reference, university and public health settings. These learners will voluntarily participate in the survey administered through Survey Monkey.

Instructions for completing Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback”

TITLE OF INFORMATION COLLECTION: Provide the name of the collection that is the subject of the request. (e.g. Comment card for soliciting feedback on xxxx)

PURPOSE: Provide a concise description of the purpose of this collection and how it will be used. If this is part of a larger study or effort, please include this in your explanation.

DESCRIPTION OF RESPONDENTS: Provide a concise description of the targeted group or groups for this collection of information. These groups must have experience with the program.

TYPE OF COLLECTION: Check one box. If you are requesting approval of other instruments under the generic, you must complete a form for each instrument. The ‘Other’ category should be used only in the contexts in which the provided categories cannot reasonably apply.

CERTIFICATION: Please read the certification carefully. If you incorrectly certify, the collection will be returned as improperly submitted or it will be disapproved.

Personally Identifiable Information: Provide answers to the questions.

Gifts or Payments: As a general matter, incentives are not appropriate for customer service collections; however, incentives may be appropriate for focus groups or in-depth usability studies, especially when participants must travel to a site to participate. In the latter circumstance, the incentive should include travel costs. Customary incentives for focus groups in the Federal government are \$40 for a one-hour interview and \$75 for a 90-minute focus group. If you answer yes to the question, please describe the incentive and provide a justification for amounts other than those cited above; justifications should be limited to Federal studies of a similar design and subpopulation.

BURDEN HOURS:

Category of Respondents: Identify who you expect the respondents to be in terms of the following categories: (1) Individuals or Households; (2) Private Sector; (3) State, local, or tribal governments; or (4) Federal Government. Only one type of respondent can be selected.

No. of Respondents: Provide an estimate of the Number of respondents.

Participation Time: Provide an estimate of the amount of time required for a respondent to participate (e.g. fill out a survey or participate in a focus group)

Burden: Provide the Annual burden hours: Multiply the Number of responses and the participation time and divide by 60.

FEDERAL COST: Provide an estimate of the annual cost to the Federal government.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents. Please provide a description of how you plan to identify your potential group of respondents and how you will select them. If the answer is yes, to the first question, you may provide the sampling plan in an attachment.

Administration of the Instrument: Identify how the information will be collected. More than one box may be checked. Indicate whether there will be interviewers (e.g. for surveys) or facilitators (e.g., for focus groups) used.

Please make sure that all instruments, instructions, and scripts are submitted with the request.
