Hi Danny,
Happy New Year. Thank you for all your assistance with our Gen IC packages. We really appreciate your support. Following our previous Gen IC package I have another non-PII collection that needs your review to determine if Privacy Act applies. I am attaching the clearance request and the instruments for your review. If you have any questions

regarding the collection you can please contact Kimberly Leeks. These are OMB generic requests that takes only a couple of weeks for OMB to approve, as soon as we get a response we will send it to ICRO-OMB.

Once again, thank you so much for all your assistance. Kind Regards

Archana
