Danny

Following our previous Generic package we have another package which involves a non PII collection. Can you please let us know if the Privacy Act applies to this collection. I am attaching the clearance request and the instruments for your review. If you have any questions please contact Valerie Daniel. These are OMB generic requests that takes only a

couple of weeks for OMB to approve, as soon as we get a response we will send it to ICRO-OMB. Thank you very much for your assistance in this regard.

Kind Regards
Archana Vedavyas
