

## Module 1: Addressing the Opioid Epidemic: Recommendations from CDC - 3 Month Follow Up

1.

The following questions will be asked of learners 3 months following completion of Module 1 as part of CDC's training for "[Applying CDC's Guideline for Prescribing Opioids](#)".

Now that it has been approximately 3 months since you completed Module 1: Addressing the Opioid Epidemic: Recommendations from CDC, we would like to know how you have applied what you learned. Please take a moment to complete this short survey and provide your feedback in the comment boxes below.

OK

1. As a result of taking the CDC training:
