2020 Science Ambassador Application Survey

- Goal of this collection is to understand the reasons why potential Science Ambassador applicants started but did not submit an application
- Intended use of the resulting data is to improve the Science Ambassador application process and fellowship recruitment processes
- Data will be collected using Survey Monkey, a web-based survey tool
- The subpopulation to be studied are individuals who started but did not submit an application for the Science Ambassador class of 2020
- Data will be analyzed using descriptive statistics
