Subject: NCIPC Privacy Act Applicability for project "WISQARS Usability Testing 2020"

Good Morning Danny

We are requesting your review on the above Generic project which involves a non PII collection. Can you please let us know if the Privacy Act applies to this non PII collection. I am attaching the clearance request and the instrument for your review. If you have any questions please contact Graham Kirkland. These are OMB generic requests that takes only a couple of weeks for OMB to approve, as soon as we get a response we will send it to ICRO-OMB. Thank you very much for your assistance in this regard.

Kind Regards

Archana Vedavyas

(NICPC IRB/OMB coordinator)
