Fundamentals of Working Safely in a Biological Safety Cabinet, Fundamentals of Chemical Fume Hood Safety and Fundamentals of Centrifuge Safety CDC eLearning Courses Learner Feedback Survey

Dear Colleague,

The Division of Laboratory Systems (DLS) at the Centers for Disease Control and Prevention (CDC) is seeking to examine the utility of its **Fundamentals of Working Safely in a Biological Safety Cabinet, Fundamentals of Chemical Fume Hood Safety and Fundamentals of Centrifuge Safety** eLearning Courses, which are hosted on CDC TRAIN. You are receiving this email because you have participated in one or more of these courses.

Please complete this brief survey about the usefulness of the **Fundamentals of Working Safely in a Biological Safety Cabinet, Fundamentals of Chemical Fume Hood Safety and Fundamentals of Centrifuge Safety** eLearning courses by clicking the blue **Begin Survey** button below.

The survey questions are anticipated to take approximately 5 minutes to complete and your participation is entirely voluntary. Your feedback is important in helping CDC improve the quality of our training products and delivery. Your responses will be anonymous and no unique identifying information will be sought or kept.

Thank you for your assistance in helping us evaluate the quality of our training products.

Sincerely,

Division of Laboratory Systems
Center for Surveillance, Epidemiology, and Laboratory Services
Centers for Disease Control and Prevention (CDC)
