Good Morning Danny,

Thank you for all your assistance with our Gen IC packages. We really appreciate your support. Following our previous Gen IC package I have another non-PII collection that needs your review to determine if Privacy Act applies. I am attaching the clearance request and the instrument for your review. If you have any questions regarding the collection you can please contact Graham Kirkland . These are OMB generic requests that takes only a couple of weeks for OMB to approve, as soon as we get a response we will send it to ICRO-OMB.

Once again, thank you so much for all your assistance. Kind Regards

Archana
