

## TB Portals Usage Survey

### TB Portals Usage Survey

OMB Control Number: 0925-0668 Expiration Date: 04/2022

Thank you for participating in this survey about the TB Portals, an online platform for tuberculosis (TB) data sharing and analysis to advance TB research. Your responses will help us better understand how individuals use the [TB Portals](#) and identify areas for improvement.

Your participation in this survey is completely voluntary, and your survey responses will be kept secure to the extent permitted by the law. Responses will be aggregated and analyzed as a group. Personal identifiers will not appear in any report of the survey results.

Please complete the survey by [\[insert date\]](#). If you have questions about the survey functionality, please contact the [NIAID Evaluation Team](#). If you have questions about the survey questions or purpose, please contact [TBPortalsInfo@niaid.nih.gov](mailto:TBPortalsInfo@niaid.nih.gov).

Thank you for your willingness to participate in this assessment. We look forward to receiving your feedback.

*Burden Disclosure: Public reporting burden for this collection of information is estimated to average less than 10 minute per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 0705 Rockledge Drive, MSC 7074, Bethesda, MD 20892-7074, ATTN: PRA# 0925-0668. Do not return the completed form to this address.*

## TB Portals Usage Survey

### Background

\* 1. Are you a U.S. federal government employee (non-contractor)? 

Yes

No

\* 2. How would you describe the sector in which you work? *(check all that apply)* 

Government

Private sector/Industry/Business

Academia/University

Non-profit

Other (please specify)

Next

### TB Portals Usage Survey

\* 3. What kind of work do you do? *(check all that apply)* 

- Tuberculosis research
- Tuberculosis surveillance and treatment programs
- Data science
- Information technology
- Healthcare
- Media
- Other (please specify)

---

\* 4. How would you describe your primary role? 

- Physician
- Principal investigator
- Graduate student
- Medical educator
- Post-doctoral or research fellow
- Scientist/analyst
- Other (please specify)

---

## TB Portals Usage Survey

\* 6. Why did you visit the TB Portals platform? *(check all that apply)* 

- I wanted to learn about the TB Portals Program.
- I wanted to browse patient-level tuberculosis data.
- I wanted to download and use patient-level tuberculosis data for my research.
- I was interested in TB Portals research tools.
- Other (please specify)

 42%

## TB Portals Usage Survey

\* 7. Which of the data were you interested in, if any? *(check all that apply)* 

- Clinical metadata
- Bacterial genomic data
- X-ray images
- CT studies
- Radiology reports
- None of the above

## TB Portals Usage Survey

\* 8. Which of the TB Portals tools did you use to explore TB Portals data, if any? *(check all that apply)* 

- [Case Browser](#)
- [Data Exploration Portal \(DEPOT\)](#)
- [Genomics Analysis Portal \(GAP\)](#)
- [Radiomics Analysis Portal \(RAP\)](#)
- I did not know about the tools.
- I knew about the tools, but did not use them.

## TB Portals Usage Survey

\* 11. If you downloaded data and did not use TB Portals tools for data exploration and analysis, could you explain why? *(check all that apply)* 

- TB Portals tools were not useful for my type of research.
- TB Portals tools were hard to use.
- I prefer using other tools to those on the TB Portals platform.
- TB Portals does not offer the type of tools I need for my research.
- I was not able to upload and combine external data to the TB Portals platform for my analysis.
- I did not know about TB Portals tools.
- I did not download data.
- Other (please specify)
