Fishers Lane Enhanced Privacy Room Use

Recently, NIAID provided a number of enhancements for privacy rooms in the Fishers Lane Building. We are interested in your opinions about the enhancements, and will use the information to assess how well the privacy rooms are meeting the needs of the occupants of the building. Please be certain that, when responding, you are only reporting on an enhanced privacy room (please refer to the survey e-mail invitation to view the features and room numbers of the enhanced privacy rooms.)

Responses are anonymous, voluntary, and secure to the extent permitted by law. All responses will be aggregated and analyzed as a group. Personal identifiers will not appear in any report of the survey results.

Please note the following:

1. The survey will take less than 10 minutes to complete.

2. SurveyMonkey supports the following browsers:
