DEMOGRAPHICS AND BACKGROUND INFORMATION

Grant Number: _____

Attachment B. Connections between Simplified Form and Approved Form

RFA Goals:

The goals of the RFAs for the NIDCD Accessible and Affordable Hearing Health Care program include:

- acquisition of knowledge that can be rapidly translated into new or enhanced approaches for access, assessment or interventions with a goal to delivering better hearing health care outcomes.
- quality approaches that are effective, affordable and deliverable to those who need them as well as implementable and sustainable in settings beyond the research environment.
- research and/or infrastructure needs leading to more accessible and affordable hearing health care (HHC).
- delivery of better healthcare access and outcomes and be directed to solutions that are effective, affordable and deliverable to those who need them.
- Outcomes and health services research are also responsive to this FOA.
- increase utilization of hearing health care technology by underserved patients and thus reduce health disparities.
- identify the variables contributing to successful hearing health care outcomes in adults with hearing loss, and to develop and evaluate clinical measures of those variables.
- to provide support for the creation of new partnerships among researchers and/or between researchers and interested organizations (e.g., academia, health care organizations, industry, and patient organizations) and for the conduct of developmental and planning activities for future research applications. The final objective of the R24 must be the submission of specific competitive research grant applications (i.e., R01s, R21s, R43/R44, P50s). The R24 is designed to support new collaborations and is not designed to support groups of investigators who would normally interact and collaborate in the absence of an R24.

To what extent did your project address each of these goals?

RFA Goals (if applicable)	
The goals of the RFAs for this portfolio include: (list goals here.)	
To what extent did your project address each of these goals?	

Attachment B. Connections between Simplified Form and Approved Form

Prior to the Funding Opportunity Announcement (FOA) in this area, were you already conducting research in Accessible and Affordable Hearing Health Care?

Related cleared question from **OMB No. 0925-0757**
Exp. Date 11/30/2021

SCIENTIFIC GOALS AND OBJECTIVES

Prior to the FOA in this area, were you already conducting research in the selected science portfolio?

Attachment B. Connections between Simplified Form and Approved Form

Did the FOA encourage you to take your research in a new direction?

What obstacles are there in expanding the field of Accessible and Affordable Hearing Health Care?

Do you think a new FOA in Accessible and Affordable Hearing Health Care could solicit research that would help overcome the obstacles you encountered?

Yes No

If yes, share your thoughts on how a funding opportunity could help; including development of tools or standardized measurements that are lacking, etc.:

RFA Goals (if applicable)

Did the FOA encourage you to take your research in a new direction?

What obstacles are there in expanding this selected science portfolio?

Do you think a new FOA in the selected science portfolio could solicit research that would help overcome the obstacles you encountered?

Yes No

If yes, share your thoughts on how a funding opportunity could help; including development of tools or standardized measurements that are lacking, etc.:

Attachment B. Connections between Simplified Form and Approved Form

Scientific Goals and Objectives:

How did any workshops or meetings related to Accessible and Affordable Hearing Health Care affect your project goals?

<small>Related cleared question from OMB No. 0925-0757 Exp. Date 11/30/2021</small>
SCIENTIFIC GOALS AND OBJECTIVES
How did any workshops or meetings related to the <u>selected science portfolio</u> affect your project goals?

PROGRAM SUPPORT:

How satisfied are you with the support you received from program staff, such as grantee meetings, communications, etc.?

<small>Related cleared question from OMB No. 0925-0757 Exp. Date 11/30/2021</small>
PROGRAM SUPPORT
How satisfied are you with the support you received from program staff, such as grantee meetings, communications, etc.?

Attachment B. Connections between Simplified Form and Approved Form

What was the most beneficial type of support you received from program staff? And why?

Are there other support activities that NIDCD program staff could have provided that would have facilitated your research project? Yes/No

If yes, please describe:
