

Components/Offices of Interest

You are applying for the Attorney General's Honors Program. If you wish to apply to the Summer Law Intern Program, review the information entered on the Legal Education and Post-Law School Activities Screens for accuracy, especially dates.

List up to three components in order of preference. Click here for details, e.g., estimated number of hires, permanent hire or duration of term, eligibility restrictions, sub-office and branch information. You may indicate geographic location, branch, section, or practice area preferences later. Eligibility restrictions are noted in follow-up screens if the component requests applicants to identify city/section/branch/district preferences.
