Case Status Online allows individuals or organizations to create an online account to submit a request for status information on their immigration benefit requests to USCIS. Public reporting burden for this form is estimated to be 4.5 minutes (0.075 hours) per response, which includes the time necessary to review the instructions, gather all necessary data, complete the form and submit to USCIS. If you have comments regarding the burden estimate, or any other part of this information collection, you may submit comments to USCIS. Your response is voluntary. Send comments to USCIS, Regulatory Coordination Division, Office of Policy and Strategy, 20 Massachusetts Ave NW., Washington, DC 20529-2020.

Do not mail completed forms to this address. Mail your completed form to the address provided in the form instructions.

Account Type

Both USCIS Customers (applicants or petitioners) and Representatives (such as lawyers, charitable groups, or corporations) who want the latest information about their case or multiple cases can create an account. By creating an account, you can:

- View current case status
- View case history
- View the history and next steps for service requests
- Receive case updates either by email or text message

And just like Case Status Online, all of these services are also available on any mobile device. The only difference between these two account types are Representatives may enter their own internal office tracking information with each receipt number and add more cases to their account.
