

White Paper
OMB Control Number 2900-0358
VA Form 22-8873

VA requests approval of the reinstatement without change of OMB control number 2900-0358 (VA Form 22-8873).

This ICR expired due to the transition of systems that affected the process for ensuring that expiring VA Education ICR's were submitted to OMB in a timely manner. The transition has been completed, and the information collection request duties have been updated in order to avoid future VA Education ICR's from expiring.
