

KIWIFRUIT RESTYLE VERIFICATION FORM

INSTRUCTIONS:

Previously inspected kiwifruit that has been restyled may be shipped under a Restyle Verification Option, providing that the marked size and grade are unchanged from the original inspection. Contact your local Federal-State Inspection Program (FSIP) to receive authorization to ship kiwifruit under this option. You must provide FSIP with the number and type of restyled containers to be shipped. FSIP will assign a Restyle Verification Number that must be placed on each container. This number is only authorized for use on the requested number and type of containers.

Date of Request:	Authorization must be obtained from FSIP prior to shipping restyled fruits.
Restyle Facility:	FSIP Assigned Restyle Verification Number: R-
Shipper Name:	Authorized by:

Shippers must supply the following information for all kiwifruit shipped under the “R” number. Additional forms may be attached if more space is needed. The Kiwifruit Administrative Committee will use this information to audit compliance with Marketing Order requirements. *Completed forms must be faxed or mailed to your FSIP office within 3 days of receipt.*

Restyle Verification Options

Restyle Verification – A handler may ship previously inspected kiwifruit that has been restyled without obtaining an additional inspection if all shipments made under the restyle verification option comply with all regulations in effect and all of the following conditions are met:

- a. All kiwifruit was restyled from kiwifruit which previously have been inspected and certified as meeting Committee requirements.
- b. The marked size on the restyled product is the same as the marked size on the original product.
- c. The grade on the restyled product is the same as the grade on the original product.
- d. The handler notifies the Federal-State Inspection Program at least 4 hours in advance of when the product will be shipped.
- e. The handler provides the Federal-State Inspection Program with the number and type of restyled containers.
- f. The Federal-State Inspection Program furnishes the handler with a restyle verification number which links the restyled product to the original PLI stamp, and to an official USDA inspection certificate and supporting note sheets.
- g. The handler shall plainly and conspicuously mark one end of each container with the letter “R” and the restyle verification number assigned by the Federal-State Inspection Program. The letter “R” and the number shall not be less than one-half inch in height.
- h. The Federal-State Inspection Program shall notify the KAC upon issuing a restyle verification number.
- i. Handlers will be subject to random spot-checks to verify compliance.
