Dear [SNM/Principal Name]:

The U.S. Department of Agriculture, Food and Nutrition Service (FNS), has contracted with Mathematica Policy Research, and its partner, Insight Policy Research, to conduct the Outlying Areas Cost Study Feasibility Reassessment. The purpose of the reassessment is to determine the extent of information available about the costs of producing reimbursable meals for the National School Lunch Program and School Breakfast Program and to update information gathered in 2018. Reimbursement rates for school meals sold in the contiguous 48 States and the District of Columbia are assessed periodically using a rigorous cost study methodology applied to a sample of public school food authorities (SFAs) and schools. That cost study methodology has never been applied in outlying areas, including Puerto Rico and the U.S. Virgin Islands. This study is important because an accurate assessment of meal costs could help adjust per-meal reimbursement rates in [Puerto Rico/the U.S. Virgin Islands]. Your SFA is participating in this assessment and I have copied [SFA Director Name] on this email.

I'd like to schedule a face-to-face interview with you between [Date] and [Date], 2019. The purpose of this interview is to find out about the records your school keeps for [IF SNM: meal production and planning, food prices, non-reimbursable foods, and the staff who work in the kitchen or cafeteria/IF PRINCIPAL: any school staff who work in support of the food service program but are not part of the food service department]. The interview might take [IF SNM: up to two hours/IF PRINCIPAL: up to 30 minutes]. I may also request some documents from you to review for the study. It might take up to 30 minutes to gather and submit the documents. Below, I listed three potential dates and times for the interview. I am happy to schedule a different time if none of these is convenient for you. I will call in a few days to [IF PRINCIPAL: ask if any school staff work on food service activities but are paid from a non-food service account, and if so, to] finalize a date and time. I will also discuss the documents with you when I call.

Please email or call me if you have any questions about the Outlying Areas Cost Study Feasibility Reassessment. I can be reached at [Email] or [Telephone Number]. Thank you in advance for your help and cooperation.

Sincerely,
