Dear Resident,

Your address has been selected to participate in the **National Survey of Children’s Health (NSCH)**. This survey collects information that is used to improve the health of children and families throughout the United States. The U.S. Census Bureau conducts this survey on behalf of the U.S. Department of Health and Human Services. **The success of this survey depends on your participation.** The results will help our nation better understand and respond to the health care needs of children and families.

If you have children age 0-17 in your household:	Responding to this survey is easy: 1. Go to: https://respond.census.gov/nsch 2. Enter your Login ID: 18976543 If you are unable to complete the survey online: Answer the question at the bottom, detach the form and return it in the postage-paid envelope.
If no children age 0-17 are in your household:	Let us know. Answer the question at the bottom, detach the form, and return it in the postage-paid envelope.

Your household was randomly selected as part of this voluntary survey. We cannot replace your household with another one. The survey takes less than 5 minutes if there are no children in your household, and on average 33 minutes for households with children. If you need assistance or have questions, please call 1-800-845-8241 or email us at: childrensheath@census.gov.

The U.S. Census Bureau is required by law to protect your information. We are not permitted to publicly release your responses in a way that could identify your household. The U.S. Census Bureau is conducting this survey under the authority of Title 13, United States Code, Section 8(b) and Section 501(a)(2) of the Social Security Act (42 USC §701). Federal law protects your privacy and keeps your answers confidential under Title 13, U.S.C. Section 9. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

This survey has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number 0607-0990 appears in the bottom left corner of the survey web page. If this number were not displayed we could not conduct this survey.

Thank you for your help.

Dear Resident,

Recently we requested your participation in the **National Survey of Children’s Health (NSCH)**. If you have completed the NSCH prior to receiving this mailing, please accept our thanks. If you have not yet responded, we encourage you to complete the survey. This survey collects important information used to improve the health of children and families throughout the United States. **Your response is vital to the success of this survey.** We hope to hear from you soon.

If you have children age 0-17 in your household:	Responding to this survey is easy: 1. Go to: https://respond.census.gov/nsch 2. Enter your Login ID: 18976543
If no children age 0-17 are in your household:	If you are unable to complete the survey online: Answer the question at the bottom, detach the form and return it in the postage-paid envelope. Let us know. Answer the question at the bottom, detach the form, and return it in the postage-paid envelope.

If you need assistance or have questions, please call 1-800-845-8241 or email us at: childrenshealth@census.gov. The survey takes less than 5 minutes if there are no children in your household, and on average 33 minutes for households with children.

The information gathered in this survey is critical to understanding children’s health care needs, both in your state and across the country. Your household was scientifically selected from all of the households in the country and your response represents thousands of other households. The U.S. Census Bureau is not permitted to publicly release your responses in a way that could identify your household. By law, the Census Bureau can only use your responses for statistical research.

Thank you for your participation.
