

Appendix F: Screener Card Test Sample Letter

Dear (insert City) Resident:

Your address has been selected to participate in the **National Survey of Children’s Health (NSCH)**. This survey collects information that is used to improve the health of children and families throughout the United States. The U.S. Census Bureau conducts this survey on behalf of the U.S. Department of Health and Human Services. **The success of this survey depends on your participation.** The results will help your state better understand and respond to the health care needs of children and families.

If you have children age 0-17 in your household:	Responding to this survey is easy: 1. Go to: https://respond.census.gov/nsch 2. Enter your Login ID: If you are unable to complete the survey online: Answer the question at the bottom, detach the form and return it in the postage-paid envelope.
If no children age 0-17 are in your household:	Let us know. Answer the question at the bottom, detach the form, and return it in the postage-paid envelope.

Your household was randomly selected as part of this voluntary survey. We cannot replace your household with another one. The survey takes less than 5 minutes if there are no children in your household, and, on average, 33 minutes for households with children. If you need assistance or have questions, please call 1-800-845-8241 or email us at: childrenshealth@census.gov.

The U.S. Census Bureau is required by law to protect your information. We are not permitted to publicly release your responses in a way that could identify your household. The Census Bureau is conducting this survey under the authority of Title 13, United States Code (U.S.C.), Section 8(b) and Section 501(a)(2) of the Social Security Act (42 USC §701). Federal law protects your privacy and keeps your answers confidential under Title 13, U.S.C. Section 9. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data.

This survey has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number 0607-0990 appears in the bottom left corner of the survey web page and in the bottom right corner of this page. If this number were not displayed, we could not conduct this survey.

Thank you for your help.

Steven D. Dillingham
 Director

Please detach the form below on the perforated line and return it in the postage-paid envelope

How many children 0-17 years old usually live or stay at this address?

- 0 1 2 3 4 or more

Mailing Instructions: Thank you. Place this card in the postage-paid envelope provided.

If the envelope has been misplaced, please mail this card to:

U.S. Census Bureau
 ATTN: DCB 60-A
 1201 E. 10th Street
 Jeffersonville, IN 47132-0001

You may also call 1-800-845-8241 to request a replacement envelope.

Public reporting burden for this collection of information is estimated to average 1 minute per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Paperwork Project 0607-0990, U.S. Census Bureau, 4600 Silver Hill Road, Room 8H590, Washington, DC 20233. You may e-mail comments to DEMO.Paperwork@census.gov; use "Paperwork Project 0607-0990" as the subject.

Dear (insert City) Resident:

Your address has been selected to participate in the **National Survey of Children's Health (NSCH)**. This survey collects information that is used to improve the health of children and families throughout the United States. The U.S. Census Bureau conducts this survey on behalf of the U.S. Department of Health and Human Services. **The success of this survey depends on your participation.** The results will help your state better understand and respond to the health care needs of children and families. If there are no children age 0 to 17 in your household, we still want to hear from you. If you do not respond on-line, we will contact you again to provide another way to respond.

1. Go to: <https://respond.census.gov/nsch>
2. Enter your Login ID:

Responding to this survey is easy:

Card Letter with Perforated Screener
Card (Group C) – REVISED 4/2/19**

UNITED STATES DEPARTMENT OF COMMERCE
Economics and Statistics Administration
U.S. Census Bureau
Washington, DC 20233-0001
OFFICE OF THE DIRECTOR

Dear (insert City) Resident:

Recently we requested your participation in the **National Survey of Children’s Health (NSCH)**. If you have completed the NSCH prior to receiving this mailing, please accept our thanks. If you have not yet responded, we encourage you to complete the survey. This survey collects important information used to improve the health of children and families in your state and across the United States. **Your response is important to the success of this survey.** We hope to hear from you soon.

If you have children age 0-17 in your household:	Responding to this survey is easy: 1. Go to: https://respond.census.gov/nsch 2. Enter your Login ID: If you are unable to complete the survey online: Answer the question at the bottom, detach the form, and return it in the postage-paid envelope.
If no children age 0-17 are in your household:	Let us know. Answer the question at the bottom, detach the form, and return it in the postage-paid envelope.

If you need assistance or have questions, please call 1-800-845-8241 or email us at: childrenshealth@census.gov. The survey takes less than 5 minutes if there are no children in your household, and, on average, 33 minutes for households with children.

The information gathered in this survey is critical to understanding children’s health care needs, both in your state and across the country. Your household was scientifically selected from all of the households in the country and your response represents thousands of other households. The U.S. Census Bureau is not permitted to publicly release your responses in a way that could identify your household. By law, the Census Bureau can only use your responses for statistical research.

Thank you for your participation.
