Permit Application Options

ETP OPERATOR PERMIT APPLICATION

Following is the list of permits that can be applied for using the online version of the ETP OPERATOR PERMIT APPLICATION (OMB Ref. 0648-0387 - exp. 06/30/2018).

Note that the ability to apply for a new permit or a transfer may not be available depending on related permit policy. The information you enter when completing the form (owner, vessel, address, etc) will be applied to all permits you select.

Place a checkmark next to the application type for the permit(s) you are applying for

EASTERN TROPICAL PACIFIC OCEAN OPERATOR PERMIT ETP-O-2013

I want to apply for a: New Permit

more

Your answers to the question(s) below will adjust the application process so that sections of the form that are not required to be completed are not presented to you

1. Does the operator live outside the United States?

- No
- Yes

Public reporting burden for this collection is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Southwest Region, NMFS, 501 West Ocean Blvd., Suite 4200, Long Beach, California 90802-4213.
