

Change	Date	Justification
Remove national guard check box in section 1	7/19/2018	Causes confusion to national guard members who think they can use this form when they can't because they aren't activated or activated under State orders which is not a UOCAVA population
Took out the examples in section 6.	10/11/2018	Only PR and VT are present, examples don't seem necessary.
Only PR and VT have requirements in sec. 6	10/11/2018	We talked to the states present on the last form and PR and VT are the only ones that require mention here.
Add 2 extra lines to section 6	7/19/2018	More room is helpful for people who need to explain a situation or who have additional requirements
Remove a line from section 3 mailing instructions	7/19/2018	It was not necessary to have the 5th line as addresses have 4 lines and military addresses with five lines usually have name in one of the lines, which is not needed on this form
Add clarification on mail forwarding address in Section 3	7/19/2018	Less confusion for people when writing down their address for mail to be sent to.
Take off AK in section 6	7/19/2018	AK no longer has the requirement
Change wording on principal purpose to say This form serves as an application for registration and/or request for an absentee ballot for elections for Federal office or other elections provided by State law or special provisions for all persons covered by UOCAVA.	10/11/2018	To match FWAB language and to be more clear with the purpose.
Change From Privacy Act to Privacy Advisory	10/12/2018	Privacy and FOIA Officer said that our statement should be an advisory.

Change wording in section one from "my return is uncertain" to "my intent to return is uncertain"	2/7/2019	To clear up the understanding of intent vs. a specific date that a voter must know of their return.
Add the words please see back for instructions after print clearly...	2/7/2019	To make sure that voters look at the instructions.
In Section three header add all caps to the word must.	2/7/2019	To clarify that this section must be filled out.
Section 5 change the words in the header to what are your voting preferences and move select one after how do you want to receive your voting materials...	2/7/2019	To clarify what is being asked of the voter for this section.
In section 5 add A. and B. before the words in the grey boxes to distinguish questions.	2/7/2019	In order to move the voters eye across the section to create better completion rates.
On the instructions page insert after the 3rd number "if you printed the form yourself you can fold the form and seal it in a envelope.	2/7/2019	To make sure voters are sending the printed form correctly.
Add language to the instruction page 1st section 4th bullet, "we recommend you complete this form every year and submit..."	2/8/2019	To clarify the process.
Take off National Guard explanation on the instructions page under number 1.	2/8/2019	To dispell confusion about National Guard being removed from the check boxes in section one on the voter information page.
On instructions page add clarification instructions for section 6 requirements.	2/26/2019	To clarify requirments for section 6 and what listed states need from voters.

## FPCA Changes

Change wording on principal purpose to say This form serves as an application for registration and/or request for an absentee ballot for elections for Federal office or other elections provided by State law or special provisions for all persons covered by UOCAVA.

Change From Privacy Act to Privacy Advisory

On the instructions page insert after the 3rd number "if you printed the form yourself you can fold the form and seal it in a envelope.

Add language to the instruction page 1st section 4th bullet, "we recommend you complete this form every year and submit..."

Take off National Guard explanation on the instructions page under number 1.

On instructions page add clarification instructions for section 6 requirements.

Reasoning
To match FWAB language and to be more clear with the purpose.
To make sure that voters look at the instructions.
Causes confusion to national guard members who think they can use this form when they can't because they aren't activated or activated under State orders which is not a UOCAVA population
To clear up the understanding of intent vs. a specific date that a voter must know of their return.
It was not necessary to have the 5th line as addresses have 4 lines and military addresses with five lines usually have name in one of the lines, which is not needed on this form
Less confusion for people when writing down their address for mail to be sent to.
To clarify that this section must be filled out.
To clarify what is being asked of the voter for this section.
In order to move the voters eye across the section to create better completion rates.
Only PR and VT are present, examples don't seem necessary.
We talked to the states present on the last form and PR and VT are the only ones that require mention here.
More room is helpful for people who need to explain a situation or who have additional requirements
AK no longer has the requirement
Privacy and FOIA Officer said that our statement should be an advisory.
To make sure voters are sending the printed form correctly.
To clarify the process.

To dispell confusion about National Guard being removed from the check boxes in section one on the voter information page.

To clarify requirments for section 6 and what listed states need from voters.
