### VIETNAMESE

Hi, this is \_\_\_\_\_ from the University of California. I'm calling to evaluate the quality of service provided by the Asian Smokers' Quitline (ASQ). In order to improve the program, I would like to get your feedback on the services that you received. Your feedback will be summarized along with feedback provided by other people who have used the Quitline. You don't have to answer any questions you don't want to, and you can end the interview at any time. Also, answering or choosing not to answer questions will not change the quitline services you can or will receive. The call will take just few a minutes, may be monitored or recorded for quality assurance and all of your responses will be kept private. Is that OK?"
