**[Word Version of Emailed Invite]**

Dear Certificate Holder:

Congratulations! It has been at least six months since you received your Certificate of Completion in Environmental Health and Land Reuse, and I wanted to follow up with a survey. The survey is brief, but the results will help us evaluate the educational content and its value in your everyday work.

*Your participation in this survey is voluntary. Your survey responses will be used only to help us evaluate the certification and its value in your work. We will not share or release your personally identifiable information, such as your name, address, or email.* Please take a few moments to take the post-certification survey here: \_\_\_\_\_

Thank you for your time. Please contact me if you have any questions.

Sincerely,
