### Follow up to the Land Reuse Certificate

Thank you for participating in ATSDR's Land Reuse Certificate Program. Please take a few minutes to tell us about your use of the information and your experience.

1. In general, how helpful has the Environmental Health and Land Reuse training/Certificate Program been to increase your skills for integrating environmental health in land reuse and community revitalization activities:

ATSDR estimates the average public reporting burden of this collection of information as 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; ATTN: PRA (0923-XXXX)
