Change Email (CEML) – This banner was updated to add a banner to inform the user to exit the Number Holder's record in PCOM and try the action again if an exception in the ICDBW process is encountered while trying to update the email address.

A The Number Holder's record cannot be accessed in PCOM and RCS at the same time.

Please exit the Number Holder's record in PCOM, then try the action again in RCS.

Create Account - Verify Identity (CAVI) – The screen was updated to make the Primary Phone field recommended instead of optional, add fields to collect the Email Address, and remove the Name and Date of Birth fields so that they no longer have to be input, as this information is auto filled.
