You may file the Application for Certificate of Citizenship (N-600) if you were born abroad and one or both of your parents was U.S. citizens. You may also file an application if you became a U.S. citizen by operation of law after your birth. You should learn more about obtaining [citizenship through your parents](https://www.uscis.gov/us-citizenship/citizenship-through-parents).

In order to apply for naturalization based on your spouse's overseas employment, you must intend to join him or her overseas.

You may not be able to apply for naturalization as the spouse of a U.S. citizen because you have not met one of the requirements.
