Q7 Around October 1, 2020, how many staff held full-time or part-time positions or assignments in this school in each of the following categories?

- *Employees who hold more than one position in this school should be counted as part-time staff for each position held. FOR EXAMPLE: if your school's vice principal also serves as a data coach, you would count this person as 1 part-time vice principal and 1 part-time data coach, even if this person works full-time across the two positions.*

- *Employees shared with other schools [or the district office] should be counted as part-time employees.*
- *If no FULL-TIME or PART-TIME staff members exist, please enter '0' in the box under full-time and/or part-time.*

The following sub-questions will be presented in a table format with three columns. The first column will list the sub-question, and the remaining columns will be labeled with the following headings: **Full-time**, **Part-time**. The headings will not be included as a row in the table, but will instead be bolded and appear above the first response row in the table. "Sticky Headers" should be used if possible and when the full table is too long to view without scrolling down page. If not possible, headings will repeat following 'Student support services professional staff, including guidance counselors, nurses, social workers, psychologists, speech therapists, and other staff.' Each cell within these columns will have a [2 Digit Response Box], and every other row will be shaded. Shading should alternate between two colors that are both darker than the background color, but in the same color family. All grid lines should also be removed from the table, as well as numbering or lettering to denote sub-items.
