Title of Collection: Migrant Student Information Exchange (MSIX).

OMB Control Number: 1810-0683.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 46.

Total Estimated Number of Annual Burden Hours: 454,701.

Abstract: The U.S. Department of Education (ED) has a continued need to support existing regulations for the use of the Migrant Student Information Exchange (MSIX), a nationwide, electronic records exchange mechanism mandated under Title I, Part C of the Elementary and Secondary Education Act (ESEA), as amended. As a condition of receiving a grant of funds under the Migrant Education Program (MEP), each State educational agency (SEA) is required to collect, maintain, and submit minimum health and education-related data to MSIX within established time-frames. These regulations facilitate timely school enrollment, placement, and accrual of secondary course credits for migratory children and help us determine accurate migratory child counts and meet other MEP reporting requirements. The MEP is authorized under sections 1301-1309 in Title I, Part C of the ESEA. MSIX and the minimum data elements (MDEs) are authorized specifically under section 1308(b) of the ESEA. The burden hours and costs associated with this data collection are required to ensure that States implement and utilize MSIX for interstate migrant student records exchange, which will then enable the Department to meet the statutory mandate in section 1308(b) of the ESEA to facilitate the electronic exchange of MDEs by SEAs to address the educational and related needs of migratory children.
