Promise Zone Goals and Implementation.  
*OMB Approval Number:* 2501-0033.  
*Type of Request:* Extension.  
*Description of the need for the information and proposed use:* This collection is a renewal and revision that will be collecting information for preference points in certain competitive federal grants and technical assistance applications. This collection will reference the actual application collection that was approved under OMB 2501-0033 HUD and USDA designated twenty-two communities as Promise Zones between 2014 and 2016. Under the Promise Zones initiative, the federal government through interagency efforts will invest and partner with high-poverty urban, rural, and tribal communities to create jobs, increase economic activity, improve educational opportunities, leverage private investment, and reduce violent crime. Additional information about the Promise Zones initiative can be found at [www.hud.gov/promisezones](http://www.hud.gov/promisezones), and questions can be addressed to [promisezones@hud.gov](mailto:promisezones@hud.gov). The federal administrative duties pertaining to these designations shall be managed and

executed by HUD (urban communities) and USDA (rural and tribal communities) for ten years from the designation dates pursuant. The Promise Zone Initiative supports HUD's responsibilities under sections 2 and 3 of the HUD Act, 42 U.S.C. 3531-32, to assist the President in achieving maximum coordination of the various federal activities which have a major effect upon urban community, suburban, or metropolitan development; to develop and recommend to the President policies for fostering orderly growth and development of the Nation's urban areas; and to exercise leadership, at the direction of the President, in coordinating federal activities affecting housing and urban development.

To facilitate communication between local and federal partners, HUD proposes that Promise Zone Lead Organizations submit minimal documents to support collaboration between local and federal partners. This document will assist in communications and stakeholder engagement, both locally and nationally.

*Respondents (i.e., affected public):* Twenty-two Promise Zone Lead Organizations.

*Description of the need for the information and proposed use:* Section 2835(d) of the Housing and Economic Recovery Act, or HERA, (Pub. New section 36 requires HUD to establish standards and definitions for the information to be collected by state

agencies and to provide states with technical assistance in establishing systems to compile and submit such information and, in coordination with other federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs. In 2010, OMB approved the first collection instrument used for the collection of LIHTC household information (expiration date 05/31/2013). The form was subsequently approved with expiration dates of June 30, 2016 and May 31, 2019. Renewal of this form is required for HUD to remain in compliance with the statute.
