Windows taskbar: 2:49 PM 3/11/2019

Next Generation Television License Application (New Purpose) Form 2100, Schedules B, D & F

The screenshot displays the FCC's Licensing and Management System (LMS) interface. The top navigation bar includes the FCC logo, the text "Licensing and Management System", and a user ID "FRN:0004284899" with links for "Search" and "Log Out". Below the navigation bar, there are tabs for "Applications", "Authorizations", and "Facilities". The main heading is "Modification of a License for DTV Application" followed by "Alien Ownership".

On the right side, there is a sidebar titled "APPLICATION SECTIONS" with a list of sections: General Information, Fees, Waivers, and Exemptions, Applicant Information, Contact Representatives, Alien Ownership (highlighted with a blue arrow), Basic Qualifying Questions, Next Gen Information, Channel and Facility Information, Antenna Location Data, Antenna Technical Data, Operating Constants, Parties to the Application, Attributable Interest, Next Gen Certifications, License Certifications, Legal Certifications, Application Summary, and Certify.

The main form area contains five questions, each with radio button options for "Yes" and "No", and a "Clear" link. A note at the top left states "* Indicates required field". At the top right of the form area, there are links for "Attachments" and "Draft Copy". At the bottom of the form area, there are "Back" and "Save & Continue" buttons.

At the top right of the page, there is a status box indicating "Approved by QM8 3060-1254", "Estimated Time Per Response: 2 - 8 hours", and "March 2019". Below this, there are links for "FAQ" and "Save & Quit".

The bottom of the screenshot shows a Windows taskbar with various application icons and a system clock showing "2:50 PM 3/11/2019".

Commencement of Service Certification

* Certify that the applicant understands that it is not permitted to commence ATSC 3.0 service or ATSC 1.0 simulcast service (if applicable) until the instant application is granted and all required consumer education/MVPD notification requirements are complete. Upon grant of the instant application, the applicant has 180 days to commence all services authorized under the applicant station's modified license.

☐ Yes ☐ No → Clear

Consumer Education and MVPD Notice

* Certify that the applicant will comply with the consumer education requirements pursuant to 47 CFR Section 73.3801(g) prior to commencing ATSC 3.0 service or ATSC 1.0 simulcast service (if applicable).

☐ Yes ☐ No → Clear

* Certify that the applicant will comply with the MVPD notice requirements pursuant to 47 CFR Section 73.3801(h) prior to commencing ATSC 3.0 service or ATSC 1.0 simulcast service (if applicable).

☐ Yes ☐ No → Clear

General Certification

* Certify that the applicant will comply with all FCC technical and programming rules that apply to the applicant station's ATSC 3.0 service and its ATSC 1.0 simulcast service (if applicable).

☐ Yes ☐ No → Clear

Next Generation Television License Application (New Purpose)
Form 2100, Schedules B, D & F

Next Generation Television License Application (New Purpose) Form 2100, Schedules B, D & F

The screenshot displays the FCC's Licensing and Management System (LMS) interface. The browser address bar shows the URL: <https://lms.fcc.gov/dataentry/secure/tv/legalCerts.html?appKey=8a7984c96958b0d601696e14a4a00ee&pageCode=LC>. The page title is "Modification of a License for DTV Application Legal Certifications".

On the right side, a sidebar titled "APPLICATION SECTIONS" lists various steps in the application process, each with a green checkmark indicating completion. The sections are: General Information, Fees, Waivers, and Exemptions, Applicant Information, Contact Representatives, Alien Ownership, Basic Qualifying Questions, Next Gen Information, Channel and Facility Information, Antenna Location Data, Antenna Technical Data, Operating Constants, Parties to the Application, Attributable Interest, Next Gen Certifications, License Certifications, Legal Certifications (highlighted), Application Summary, and Certify.

The main content area contains three sections of legal certifications, each with a "Yes", "No", and "Clear" radio button option:

- Obligations:** Includes a statement about the licensee/permittee certifying that all terms, conditions, and obligations set forth in the underlying construction permit have been fully met.
- Character Issues:** Includes a statement about the applicant certifying that neither the applicant nor any party to the application has or had any interest in, or connection with, any broadcast application in any proceeding where character issues were left unresolved or were resolved adversely against the applicant or party to the application, or any pending broadcast application in which character issues have been raised.
- Adverse Findings:** Includes a statement about whether the applicant or any party to this application had an adverse finding or an adverse final action taken by any court or administrative body in a civil or criminal proceeding brought under any law related to the following: any felony, mass media-related antitrust or unfair competition, fraudulent statements to another governmental unit, or discrimination.

At the bottom of the form, there are "Back" and "Save & Continue" buttons. The bottom of the browser window shows the Windows taskbar with the time 7:06 AM on 3/12/2019.

General Certification Statements

The Applicant waives any claim to the use of any particular frequency or of the electromagnetic spectrum as against the regulatory power of the United States because of the previous use of the same, whether by authorization or otherwise, and requests an Authorization in accordance with this application [See Section 304 of the Communications Act of 1934, as amended].

The Applicant certifies that neither the Applicant nor any other party to the application is subject to a denial of Federal benefits pursuant to §3501 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862, because of a conviction for possession or distribution of a controlled substance. This certification does not apply to applications filed in services exempted under §1.2002(c) of the rules, 47 CFR. See §1.2002(d) of the rules, 47 CFR § 1.2002(c), for the definition of "party to the application" as used in this certification § 1.2002(c).

The Applicant certifies that all statements made in this application and in the exhibits, attachments, or documents incorporated by reference are material, are part of this application, and are true, complete, correct, and made in good faith.

Authorized Party to Sign

FAILURE TO SIGN THIS APPLICATION MAY RESULT IN DISMISSAL OF THE APPLICATION AND FORFEITURE OF ANY FEES PAID

Upon grant of this application, the Authorization holder may be subject to certain construction or coverage requirements. Failure to meet the construction or coverage requirements will result in automatic cancellation of the Authorization. Consult appropriate FCC regulations to determine the construction or coverage requirements that apply to the type of Authorization requested in this application.

If a "shared" facility, you certify that all "sharers" have agreed to the filing of this application and the changes that are proposed within.

WILLFUL FALSE STATEMENTS MADE ON THIS FORM OR ANY ATTACHMENTS ARE PUNISHABLE BY FINE AND/OR IMPRISONMENT (U.S. Code, Title 18, §1001) AND/OR REVOCATION OF ANY STATION AUTHORIZATION (U.S. Code, Title 47, §312(a)(1)), AND/OR FORFEITURE (U.S. Code, Title 47, §505).

I declare, under penalty of perjury, that I am an authorized representative of the above-named applicant for the Authorization(s) specified above.
