

JUSTIFICATION FOR CHANGES TO RI 92-22, FERS Annuity Supplement Earnings Report

Form RI 92-22 has been revised to show the year 2018. Additionally, the annuitant must complete the form if allowable earnings exceeded more than \$17,040 in 2018. The exempt amount increases to \$17,640. If exceeded, OPM will reduce the individual's FERS Annuity Supplement one dollar for every two dollars by which the annuitant exceeds the exempt amount for 2018. Now, full time Air Traffic Controller Instructors are excluded from the earnings test.
